

Avalon WeHo

AVALON WEHO

We used our Tactile Concrete™ to create three curvilinear structures comprising one bench 48" (1219 mm) wide by 21'8" (6604 mm) long with a notch for a planter; one ice table 48" (1219 mm) wide by 23'10" (7264 mm) long with an integrated ice trough; and one fire table 48" (1219 mm) wide by 16'6" (5043 mm) long with an fire pit and glass screen.
